20th October 2009

Dear Parents

This half-term seems to have flown by. Our Harvest celebrations and fundraising went particularly well last week - see below. We now have something rather exciting to look forward to when we return to school after the holiday...

## itv Granada Reports

We have been asked by **ITV's Granada Reports** to take part in a series of reports to be shown in December focusing on children whose parents will be serving in Afghanistan over Christmas. Although still in the planning stage, the project will probably include filming our children singing a Christmas song which Granada would then show to the dads over in Afghanistan. The project has the approval of 2 Yorks. However, if you would prefer your child/ren not to take part in any filming, please let me know.

## FoodAid

Harvesting for the world

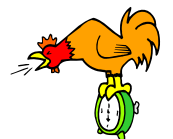

Although we still have some sponsor money to come in, it looks as if we have raised the magnificent sum of over **£600** for Food Aid. Many thanks for all your support. We were blessed with a sunny afternoon for our Walk for Water. Thanks to all those who joined us for our lively Harvest Festival on Friday, particularly the four parents who came along as farmers or scarecrows; there's a picture of them on our website.

**Speed Limit:** PC Healey has asked me to remind everyone that the speed limit on Weeton Camp is just **15mph**.

Finally, Weeton School closes for the half-term holiday on **Thursday 22nd October** at the usual times of 3.15pm and 3.30pm.

School starts again on **Monday 2nd November 2009** at 8.55am.

C J Horrocks
